amended complaint

on or about March 15<sup>th</sup> to April 15<sup>th</sup> of the year 2021 I was traveling between Catawissa and Shamokin in PA. I was pulled over by officer defrain. He proceeded to give me a field sobriety test for which I protested for which was very cold and I was only wearing shorts and a sleeveless shirt.

Officer defrain then told me to turn around and put me in handcuffs placed me in a squad car and drove me to some building miles down to road away from the scene. He did not state the reason for his actions even though I asked.

When we got to wherever he drove me he opened the door and told me to get inside. The demeanor and lack of reason started to scare me

Whithin a few minutes more officers showed up and I saw snickering at me and the sound of racial slurs. At this time I was afraid for my life.

We all went inside. I asked to leave and was denied. He had me preform many tests.

After a unknown amount of time I was told I was under arrest and driven to the local Jail in Columbia County.

I hope this is a agreeable amended complaint. I would be willing to cooperate in any way with the Court. thank you.
